

SPONSORSHIP PROPOSAL

"I WAS BORN WITH A DISABILITY, BUT I RACE WITH NO LIMITS"

I was born with Spina Bifida and Hydrocephalus, but I've never let disability define me. From competing in Britain's Strongest Disabled Man to becoming a National Champion in radio-controlled car racing, I've always chased challenges head-on.

Motorsport has been my passion from the start — and in 2024 I turned that dream into reality by winning the Britcar Trophy Championship (Class 3) with Team BRIT, the world's only all-disabled racing team.

Now I'm on a mission to push boundaries further, representing resilience, determination, and possibility on the track. With the right partners, I can continue breaking barriers in motorsport — and your brand can be part of this journey.

I truly enjoyed being part of Team BRIT during my time there. Getting to experience new challenges and overcoming obstacles has helped me develop lots of skills.

TEAM BRIT

Mike Scudamore, the Team Principal for Team BRIT had this to say,

"Dom had a successful run with Team BRIT where he won his class in 2024.

Dom doesn't let his disability hold him back and is an inspiration to everyone that he meets.

Dom has proved to be one of our most consistent drivers and would be a great ambassador for any sponsor."

YOUR #1 DISABLED RACE TEAM

Dom is now part of the Limitless Motorsport team. On his new adventure with the team Dom had this to say, "I am overjoyed to now be a member of the Limitless Motorsport race team. I hope to continue to expand and sharpen the skills that I have developed over recent years".

At Limitless Motorsport we help remind people with the right mindset they can succeed, with true teamwork and the right training, anything is possible!

We are a team formed through a passion for Motorsport, made up of people with a wide range of disabilities.

Champion drivers aren't just born - they're selected, trained, moulded and tested. At Limitless Motorsport we hone raw talent to maturity with quality coaching and a true love of the sport.

Teamwork, perseverance, sportsmanship - those are the hallmarks of the Limitless Team.

We are NOT limited by our disabilities. Disabled, Race, Win.
